

MOVA99

Affiliate & Influencer Program

Earn 10% on Every Sale You Drive — Forever

Effective Date: June 22, 2026

Welcome to the Mova99 Creator Program

Thank you for your interest in partnering with Mova99. We built our affiliate program specifically for creators, influencers, and everyday people who love discovering products and sharing them with their communities.

Whether you have 500 followers or 5 million, if your audience trusts you, you can earn real money by sharing products from Mova99. No inventory. No upfront costs. Just share your unique link and earn 10% on every sale — forever.

There are no minimum follower requirements to join. Anyone can apply.

How It Works

Step 1: Sign up for the Mova99 Affiliate Program at www.mova99.com

Step 2: Get your unique referral link and personal discount code (e.g. SARAH10)

Step 3: Share your link in TikTok videos, Instagram posts, YouTube, or anywhere your audience is

Step 4: Earn 10% commission on every completed order placed through your link — automatically

Step 5: Get paid. Track your earnings in your affiliate dashboard and withdraw when ready

Commission Structure

Our commission structure is straightforward — no tiers, no confusing multipliers. Just a flat 10% on every qualifying sale you generate.

Order Value	Your Commission (10%)	Example Product
\$30.00	\$3.00	Accessories
\$45.00	\$4.50	Fashion item
\$75.00	\$7.50	Beauty bundle
\$120.00	\$12.00	Multi-item order

\$200.00	\$20.00	Large order
----------	---------	-------------

If 10 people order \$45 each through your link, you earn \$45. If 100 people order, you earn \$450. The more you share, the more you earn — with no cap.

Content Guidelines

We give our affiliates full creative freedom. There are just a few things we ask:

What We Love to See

- Honest, authentic reviews — tell your audience what you genuinely think
- Before/after content showing the product solving a real problem
- Unboxing videos that let viewers see exactly what they are getting
- Styling content for fashion/accessories showing how to wear or use the item
- Comparison content showing value versus competitors

What Is Not Allowed

- False or misleading claims about products, pricing, or availability
- Content targeting minors or containing adult material
- Spam posting — quality over quantity always
- Using your own referral link to place orders for yourself (self-referrals)
- Purchasing fake followers, likes, or engagement

Violation of these guidelines may result in commission reversal and removal from the program.

FTC Disclosure Requirements

As required by the Federal Trade Commission (FTC), you must clearly disclose your affiliate relationship with Mov99 in all content where you share your referral link or discuss products you received for free.

Acceptable disclosures include:

- "This video contains affiliate links — I earn a commission if you purchase through my link at no extra cost to you"
- "Ad" or "Sponsored" label in the video or post
- "#ad #affiliate" hashtags in the caption

Disclosures must be clear and conspicuous — not buried in a long list of hashtags or hidden in fine print. Non-compliant content may result in commission reversal.

Commission Payments

When You Get Paid

Commissions are calculated on confirmed, completed orders. A commission becomes eligible for payout after:

- The referred order has been delivered and the 30-day return window has passed
- The order has not been refunded or charged back
- Your account has at least one confirmed, completed commission

Payment Methods

We offer the following payout options:

- PayPal — processed within 3-5 business days of request
- Bank transfer (ACH) — processed within 5-7 business days

To request a payout, log into your affiliate dashboard and click "Withdraw." Payments are processed manually and you will receive a confirmation email once your payment is sent. There is no minimum payout amount — you can withdraw your earnings at any time.

Taxes

You are responsible for reporting and paying all applicable taxes on your affiliate earnings. If your annual earnings exceed \$600 USD, Mova99 may be required to issue a Form 1099 for US-based affiliates. Please consult a tax professional for guidance.

How Tracking Works

Your referral link contains a unique affiliate ID that tracks every click and purchase from your audience. Here is what you need to know:

- Cookie duration: 30 days — if someone clicks your link and purchases within 30 days, you earn the commission even if they did not buy immediately
 - Last-click attribution: if a customer uses multiple affiliate links, the most recent one earns the commission
 - Your dashboard updates in real time — see clicks, conversions, and pending commissions as they happen
 - Your personal discount code (e.g. SARAH10) also tracks sales even without the link — perfect for verbal mentions in videos
-

Program Rules & Eligibility

- You must be 18 years of age or older to participate
- You must have an active social media presence or website
- Self-referrals (using your own link to place orders) are strictly prohibited and will result in immediate termination
- Paid traffic to your referral link is not permitted without prior written approval from Mova99

- We reserve the right to withhold commissions for suspected fraud, chargebacks, or policy violations
 - We reserve the right to modify commission rates or program terms with 14 days written notice

Frequently Asked Questions

Do I need a large following to join?

No. We welcome creators of all sizes. A highly engaged audience of 1,000 people can outperform a disengaged audience of 100,000. Quality matters more than quantity.

Can I promote on multiple platforms?

Absolutely. You can share your referral link on TikTok, Instagram, YouTube, Pinterest, your blog, email newsletter, or anywhere else your audience is. The more places you share, the more you can earn.

How do I know when someone buys through my link?

Your affiliate dashboard tracks every click and conversion in real time. You will also receive an email notification when a commission is earned.

What if someone returns a product I referred?

If a referred order is refunded or returned, the commission for that order will be reversed. Commissions are only paid on completed, non-refunded orders.

Is there a cost to join?

No. Joining the Mova99 Affiliate Program is completely free. There are no fees, no monthly costs, and no minimum commitments.

Can I promote any product on Mova99?

Yes. You can promote any product in our catalog. We recommend choosing products you genuinely like and that fit your audience — authentic recommendations convert much better than generic ones.
