

Return & Refund Policy

Read this before requesting a refund — timing determines eligibility.

Important: refunds can only be processed if we have not yet placed the order with our supplier. Once an order has been placed and is being processed or shipped, we are unable to offer a refund.

Exceptions always apply for items that arrive damaged, defective, incorrect, or that are genuinely lost in transit. Contact support@mov99.com immediately if you need to cancel.

Key points

- Refund available before your order is submitted to our supplier
- Refund available for damaged, defective, wrong or genuinely lost items
- No refunds on shipped orders (except the exceptions above)
- Requests reviewed within 2 business days
- Approved refunds issued in 5–10 business days to the original payment method
- Shipping is free on all orders, so there are no shipping fees to refund
